

# **SHOWERING DIVINITY – PURIFYING SOULS !**

By: B.K.Krishna Chander Mouli.

When I was first introduced to the philosophy and belief system of Brahmakumaris just over a decade ago and was briefed about God-Almighty( Paramatma- Baap Dada in B.K. language) descending over the mortal land on special occasions,using one of the Rajyoginis Dadi Hridaymohini(affectionately called as Gulzar Dadi) as the medium, it was beyond my imagination that such a miracle could ever happen. But just as the proverb goes “ seeing is believing” so is my experience too. As the years passed by and as I got to understand B.Ks. belief system and transform myself into one of them, I also gradually got convinced that this miracle is possible. I did some research also on this miracle and it now seems to me quite logical with this belief system. It is only a matter of time when it will be accepted universally too.

In this backdrop the same miracle was witnessed by thousands at the Shantivan complex of the international headquarters of Brahmakumaris at Abu Road in Rajasthan(India) on 31st December 2010 from late evening till past midnight. It was a scene of reversal of the biblical exodus to Abu Road to witness this miracle on the eve of the incoming new year 2011. Unending long queues of people from all parts of the country and abroad in pure white attires heading towards Abu road were a happy and surprising feast for the eyes to witness this miracle popularly known as Baba Milan which took place in the spacious Diamond Hall on the Shantivan premises. This is a regular feature year after year and every year the number of visitors keep on swelling to more and more thousands. This year it was estimated at roughly 25 to 30 thousand.

The clock in the Diamond Hall struck 8 P.M. when Gulzar Dadi experienced the first sign of invisible Baap Dada’s descension on her and hardly within 5 minutes Baap Dada’s soul was there in Gulzar Dadi’s body for all of us to

see, experience and listen. Gulzar Dadi's natural voice suddenly changed into hush hush tone believed to be the Baap Dada's voice.

Baap Dada starts his divine sermons with a happy new year greetings to all. Baap Dada inter alia importantly exhorts to shed all the vices to replace them in the new year with all the virtues. He further exhorts to practise identifying self with the soul in every body and practice Rajyoga meditation in Amrit Vela (early hours of morning commencing from 0330-4 a.m.) to connect the soul with the supreme soul (Paramatma in Paramdham). Commencing with one second's practice after every hour daily will make the souls perfect in connecting themselves with the supreme soul as days pass by, says Baap Dada. Baap Dada calls upon all the souls to stabilize themselves to become strong enough to face all odds and also mould, not compromise, as the situation warrants. Victory is always at ones door. The need is only to realize ones own inner strength and power to achieve this victory, Baap Dada continues. B.K. teachers should impart these skills to all the souls in the regular early morning (Amritvela) meditation and Murli classes, Baap Dada concludes.

Preceded by formal cutting of a cake, heralding the onset of the new year with cultural and musical performances by the mortals to which Baap Dada was a witness too, just after the intervening midnight of 31st December and 1<sup>st</sup> January 2011 Baap Dada leaves the body of Gulzar Dadi

There was a deafening clapping, applause, by over 20 thousand strong gathering inviting him for a come-back soon for the enlightenment and welfare of the mankind which he is supposed to after every fortnight till April 2011. The occasion was an event of rejoicing, revelling, and reciting Baap Dada and an experience of Showering Divinity and purifying souls !!!.
